If you would like to go on our waiting list for a puppy, a \$600 deposit will be required the moment you are notified that we have identified a potential pet puppy in a litter that is on the ground. Cash is required for all pick ups unless paid in full two weeks before picking up pup. Cashier's Check at time of pick up is also an option, PayPal is not. Once this form is completed, we will discuss upcoming litters and prices, and if you are after a specific color, we will give you our best opinion as to whether or not that color will be in the litter. Prices of pups depends on a few things, the parents, the color (chocolate pups are a little more in cost than reds and black and tans) and whether the pup is destined to be a show pup or a pet pup.

Please contact me for further information and details regarding the deposit. We've just given you a fair amount of info and have asked some important questions, please do the same of us. If you have any questions regarding ownership and care or the deposit, please ask below in the comment section.
